### D. General Terms

1. In order to qualify for participation in the Promotion, Partners must satisfy the following minimum requirements during the Promotion period:
  - a. Have total deposit of at least USD10,000 from new clients
  - b. Have total traded volumes of at least **100 lots** from new clients
  - c. Have attracted 5 new active clients
2. Points

- a. If a Partner has reached and is maintaining the minimum requirements for the Promotion, all that of the Partner's points will be valid.
- b. Points are calculated based on the following formula:

- i. **50 USD new client deposit and 1 new client lot traded equal 100 points.**

Both conditions must be satisfied for points to be awarded.

- ii. **Basic Calculation:**

If a Partner's clients have deposited 50 USD, the Partner can get a maximum of 100 points if 1 lot is traded (1 lot: 50 USD = 100 points). If a Partner's clients have deposited 50 USD and 0.5 lot is traded, then the Partner will get 50 points.

Example of point calculations in two different scenarios:

	Total New Client Deposit	Total New Client Trading Volume	Results (points)
Partner 1	10,000 USD	90 lots	9000
Partner 2	7,500 USD	200 lots	15,000

Partner 1's total new client deposit is 10,000 USD and total New trading volume is 90 lots. The maximum value that the Partner can receive from a deposit of 10,000 USD is 20,000 points. However, this is only possible if 200 lots (10,000 USD /50= 200 lots) are traded. But only 90 lots have been traded then it is below the requirements. Hence, Partner 1 will be awarded 9,000 points as the minimum of 200 lots was not traded (90 lots x 100 = 9,000 points).

In the second example, the total deposited amount for Partner 2 equals 7 500 USD and 200 lots were traded. 7,500 USD will give 15,000 points (7,500 USD /50 x 100 = 15,000 points) if a minimum of 150 lots (7,500/50= 150) are traded. We have 200 lots which is 50 lots above the minimum required number of lots to receive maximum points for the deposits made. Hence the Partner will gain the maximum number of points for 7,500 USD dollars which is 15,000 points.

- c. Points cannot be transferred to other Partners.
  - d. New clients are defined as verified 1st level clients that have joined during the Promotion period.
3. Total deposit and traded lot volumes from trading platforms of Partner's Clients will be reviewed at the end of the Promotion period.
  4. Calculations of the total deposit and the total lot volume traded are made from closed orders during the Promotion period.

5. Hedged orders are taken into account in their total full lot volume only in the event where the second order (opposite direction order) was opened not earlier than in three (3) hours after the first one had been opened. Should a period between opening two oppositely directed orders be equal or less than three (3) hours, the smaller order's volume would be counted in the calculations.
6. Deposit bonus funds and lots traded on bonus funds by the Clients (e.g., Deposit Bonus) will not be counted towards Partners' participation in the Promotion.
7. At the end of the Promotion period, Partners need to maintain a maximum commission to InOut percentage of 60% (i.e., commission percentage cannot be greater than 60% of the Partner's total InOut).
8. At the end of the Promotion period, Partners who won need to maintain a minimum amount of 10,000 USD InOut in order to claim the reward.
