Top 7 qualifying Partners with most points will be declared winners of the Promotion.

B. Participation in Promotion

1. Only Forex4you Partners who meet the following criteria can participate:
 - a. Country: India;
 - b. Forex4you Partners are defined as Forex4you Clients who have an account under the Forex4you Affiliate program, Forex4you IB program or Forex4you Pro-STP Mark-up program;
 - c. Clients whose activities are eligible are:
 - i. All Forex4you Clients under Forex4you IB Partners;
 - ii. All Forex4you Clients under Forex4you Pro-STP Mark-up Partners’ program;
 - iii. Only trades from direct/1st level Clients of the "Affiliate" Partner program will be considered for the Promotion. Trades by Level 2 and Level 3 affiliate Partner Clients are not valid;
 - d. All Partners must have verified Forex4you accounts;
 - e. Partner’s Clients must have verified accounts for their trades and deposits to be eligible in the Promotion;
 - f. There should be no duplicate accounts. Partners should only have one Forex4you trader room;
 - g. Partners shall not and are prohibited from using family members or close friends to register/ create new Forex4you accounts.
2. Partners who are Local Depositors are eligible to participate.

C. Promotion Period

1. The Promotion trading period runs from 01 February 2022 until 31 December 2022 (the “Promotion period”).

D. Promotion Terms

1. Registration:

- a. All eligible Partners will need to click the “Participate” button in the Trader Room to register.

2. Minimum Requirements

- a. During the Promotion period, a Partner will need to fulfill the following minimum requirements in order to participate in the Promotion:
 - i. 20 new active clients;
 - ii. 2000 client Lots traded;
 - iii. 150,000 USD client deposits made.

3. Points

- a. If a Partner has reached and is maintaining the minimum requirements for the Promotion, all of the Partner’s points will be valid.
- b. The Partner can then qualify for one of the Top 7 winners of the Promotion:

- i. Winners are 7 Partners that have qualified and have had the most points among other participating Partners.

- ii. Points are calculated based on the following formula:

50 USD new client deposit and 1 new client lot traded equal 100 points.

Both conditions must be satisfied for points to be awarded.

iii. Basic Calculation:

If a Partner’s clients have deposited 50 USD, the Partner can get a maximum of 100 points if 1 lot is traded (1 lot: 50 USD = 100 points). If a Partner’s clients have deposited 50 USD and 0.5 lot is traded, then the Partner will get 50 points.

- iv. Example of point calculations in two different scenarios:

	Total New Client Deposit	Total New Client Trading Volume	Results (points)
Partner 1	10,000 USD	90 lots	9000
Partner 2	7,500 USD	200 lots	15,000

Partner 1’s total new client deposit is 10,000 USD and total New trading volume is 90 lots. The maximum value that the Partner can receive from a deposit of 10,000 USD is 20,000 points. However, this is only possible if 200 lots (10,000 USD /50= 200 lots) are traded. But only 90 lots have

been traded then it is below the requirements. Hence, Partner 1 will be awarded 9,000 points as the minimum of 200 lots was not traded (90 lots x 100 = 9,000 points).

In the second example, the total deposited amount for Partner 2 equals 7 500 USD and 200 lots were traded. 7,500 USD will give 15,000 points (7,500 USD /50 x 100 = 15,000 points) if a minimum of 150 lots (7,500/50= 150) are traded. We have 200 lots which is 50 lots above the minimum required number of lots to receive maximum points for the deposits made. Hence the Partner will gain the maximum number of points for 7,500 USD dollars which is 15,000 points.

- c. Points cannot be transferred to other Partners.
- d. New clients are defined as verified 1st level clients that have joined during the Promotion period.
- e. At the end of the Promotion period, Partners need to maintain a maximum commission to InOut percentage of 60% (i.e., commission percentage cannot be greater than 60% of the Partner's InOut value).
- f. At the end of the Promotion period, Partners who won need to maintain a minimum amount of 150,000 USD InOut in order to claim the reward.

4. Tracking of progress:

- a. The Partner may check his/ her progress and eligibility via the widget display in the Trader room or by contacting Forex4you customer service.
- b. Should any discrepancies in data occur between Forex4you internal systems and any marketing communications, it is at Forex4you's discretion to decide the outcome.

5. Winning:

- a. There will only be 7 top winners in the contest.
 - i. The 7 Partners with the most points relative to other Partners at the end of the trading period that have fulfilled all Promotion conditions will be chosen as the winners.
 - ii. Partners that have not fulfilled the minimum requirements, and/ or whose commission to InOut percentage is more than 60% and InOut is less than 150,000 USD by the end of the Promotion period, will be disqualified from participating in the Promotion.

Should the period between the openings of two opposite directed orders, be equal to or less than 3 hours, the smaller order's volume would be counted in the calculations.
2. Deposit bonus or Welcome Bonus funds and lots traded using such bonus funds will not be counted towards the Promotion.
3. Total traded volume is counted from closed orders. Any orders that are open at the end of Promotion will not be considered for the Promotion.
4. The deposit and traded volumes from all existing trading platforms will be assessed at the end of the Promotion Period.
5. Number of points assigned and/ or InOut calculations made for the Promotion may vary and are based on the financial instruments/market pairs traded.
6. All calculations are done on a Trader Room level and not per individual Partner accounts.
