E-Global Trade & Finance Group, Inc.'s Responsibilities

The management of E-Global Trade & Finance Group, Inc. is responsible for the preparation of the management assertion report on total number of active client accounts, total sum of agents' commissions, total sum of client balances, and largest individual client balance that is free from material misstatement in accordance with the management voluntary disclosure requirements and methodology described therein.

This responsibility includes: designing, implementing and maintaining internal controls relevant to the preparation and presentation of the management assertion report on total number of active client accounts, total sum of agents' commissions, total sum of client balances, and the largest individual client balance ensuring that it is free from material misstatement, whether due to fraud or error. It also includes developing the methodology used in the report, selecting and applying policies and procedures that are reasonable in the circumstances, and maintaining adequate records in relation to the management assertion of the total number of active client accounts, total sum of agents' commissions, total sum of client balances, and the largest individual client balance as at and for the year ended 31 December 2019.

The board of directors of E-Global Trade & Finance Group, Inc. is also responsible for preventing and detecting fraud and for identifying and ensuring that E-Global Trade & Finance Group, Inc. complies with laws and regulations applicable to its activities. The board of directors of E-Global Trade & Finance Group, Inc. is responsible for ensuring that E-Global Trade & Finance Group, Inc. and staff involved with the preparation of the management assertion report on total number of active client accounts, total sum of agents' commissions, total sum of client balances, and the largest individual client balance are properly trained and relevant information systems are properly updated.

Our Responsibilities

Our responsibility is to examine the management assertion report on total number of active client accounts, total sum of agents' commissions, total sum of client balances, and the largest individual client balance prepared by E-Global Trade & Finance Group, Inc. and to report thereon in the form of an independent reasonable assurance conclusion based on the evidence obtained. We conducted our engagement in accordance with International Standard on

Assurance Engagements (ISAE) 3000, *Assurance Engagements Other Than Audits or Reviews of Historical Financial Information* issued by the International Auditing and Assurance Standards Board. The standard requires that we comply with ethical requirements, including independence requirements, and plan and perform our procedures to obtain reasonable assurance about whether E-Global Trade & Finance Group, Inc.'s management assertion of the total number of active client accounts, total sum of agents' commissions, total sum of client balances, and the largest individual client balance as at and for the year ended 31 December 2019 is properly prepared, in all material respects, based on the methodology described in the report.

The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the management assertion of the total number of active client accounts, total sum of agents' commissions, total client balances, and the largest client balance whether due to error or fraud.

In making those risk assessments, we have considered internal controls relevant to the preparation of the management assertion of the total number of active client accounts, total sum of agents' commissions, total sum of client balances, and the largest individual client balance in order to design assurance procedures that are appropriate in the circumstances, but not for the purposes of expressing a conclusion as to the effectiveness of E-Global Trade & Finance Group, Inc.'s internal controls over the preparation of the management assertion of the total number of active client accounts, total sum of agents' commissions, total sum of client balances, and the largest individual client balance. Our engagement also included: assessing the appropriateness of the management assertion of the total number of active client accounts, total sum of agents' commissions, total sum of client balances, and the largest client balance, the suitability of the criteria used by E-Global Trade & Finance Group, Inc. in preparing the management assertion of the total number of active client accounts, total sum of agents' commissions, total sum of client balances, and the largest individual client balance in the circumstances of the engagement, evaluating the appropriateness of the methodology used in the preparation of the management assertion of the total number of active client accounts, total sum of agents' commissions, total sum of client balances, and the largest individual client balance and evaluating the overall presentation of the management assertion of the total number of active client accounts, total sum of agents' commissions, total sum of client balances, and the largest individual client balance. Reasonable assurance is less than absolute assurance.

The procedures amongst others included:

- Obtaining understanding and testing general IT controls related to IT systems where calculation and accounting of clients transactions, balances and agent commissions takes place;
- Testing the design, implementation and operating effectiveness over controls related to recording of funds' transfers that form clients' balances;
- Testing the design, implementation and operating effectiveness over IT controls related to trading gain and losses and commission expenses affecting clients' balances and agent commission items;
- Testing the design, implementation and operating effectiveness over automated controls related to foreign exchange updates in servers.

- Obtaining the detailed breakdown of the client accounts, who engaged in trading activity for the period from 1st January 2019 00:00:00 to 31st December 2019 23:59:59 to determine the number of active client accounts;
- Selecting a sample of active client accounts and reconciling trading result to detailed breakdown of transactions to confirm the underlying data;
- Obtaining the detailed breakdown of agent commissions earned within the period from 1st January 2019 00:00:00 to 31st December 2019 23:59:59 to determine the total amount of commissions earned;
- Selecting a sample of agent commission items from the breakdown and reconciling to detailed breakdown of transactions to confirm the underlying data;
- Obtaining the detailed breakdown of client balances as at 31st December 2019 to determine the total sum of client balances;
- Reconciling the total agent commissions and client balances to general ledger as at 31 December 2019;
